## 2010 SCIENCE AND ENGINEERING FAIR ART CONTEST

Entries in the contest for the 2010 Mason County Science & Engineering Fair are due by March 5, 2010.

The contest is open to all students in grades four through eight who attend school or are home-schooled in Mason County. This year's science fair will be held March 20, 2010 at Oakland Bay Junior High.

All entries become the property of Skookum Rotary and will not be returned. Entrants must create a 10-by-12-inch black-on-white, ink-on-paper, design for the fair. The winning image will be used on a poster as well as garments for the event. The original artwork must include the slogan, "Science Fair." All other information about the event should not be included in the design.

Entrants must also include their name, address, school and grade on a 3-by-5-inch card attached to their entries and should not appear on the original artwork. First prize is \$50 plus a sweatshirt screen-printed with the winning design. Second prize is \$25.

Entries should be submitted to Skookum Rotary Club Science Fair, P.O. Box 849, Shelton, Washington 98584 or dropped off at the Washington Sea Grant Program office at 221 West Railroad suite 7, Shelton, WA (360) 432-3054.
