

MCCS FOURTH GRADE SUPPLY LIST

- #2 lead pencils (MANY of them!)-No mechanical pencils
- Crayons (no markers)
- 1 large eraser
- 1 set of colored pencils (VERY important!!!) – Crayola brand works best!
- Red pencils (not pens) for checking papers
- 1 pen with black ink
- 1 bottle of white school glue
- 4 Pee Chee type folders
- 1 hand held pencil sharpener which catches its own shavings
- 1 small school box or zip-up pouch for storing pencils
- College-ruled notebook paper (buy lots while it's on sale in August!!)
- 1 water bottle (very important!)
- 1 school bag to carry everything
- 1 large box of tissues (Kleenex) to share with the class
- NO 3-RING BINDERS PLEASE! There is no room in the desk!

Please remember that our cubbies and desks are quite small. You won't want to bring large items, which will not fit in your storage space. Many of these supplies will be used up and need to be replaced during the school year. It may be a good idea to purchase extra now, while they are on sale.

Please label all items, especially clothes!! Please do not bring things not on the list.

In planning school lunches, please keep in mind that Fourth graders will not be using a microwave. For recess-time snacks, dessert items and chips are not a good choice, but crackers, fruit or veggies, cheese and/or yogurt are! Let's try to avoid pop or other sugar-rich items except as an occasional, special treat! 😊
